

# How to Make Your Mac Laptop Play A Chime When Connected to Power (Like iOS)

How to make your Mac laptop play a power chime sound effect when you connect it to it's charger by running a Terminal command.

Written By: Milo

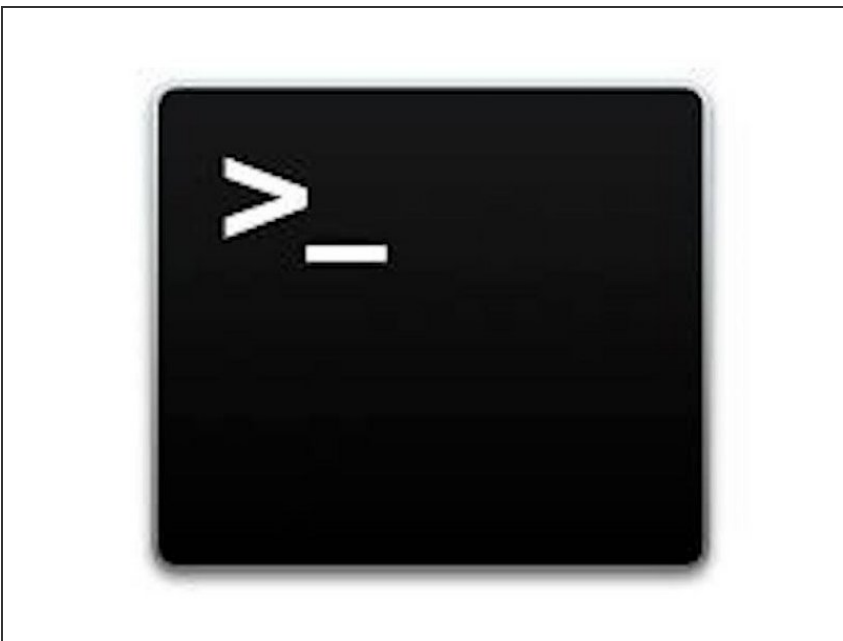

## Step 1 — Open Spotlight Search

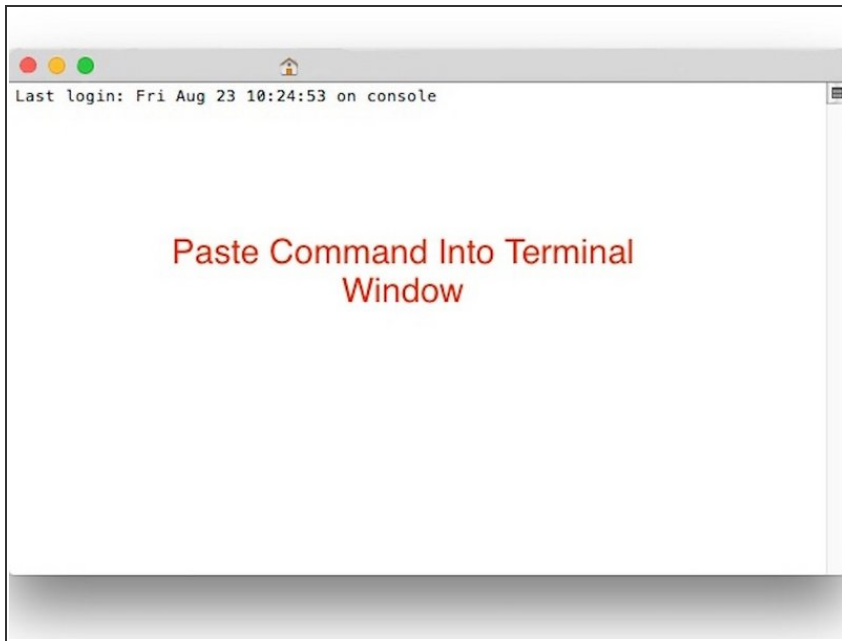

- Open Up Spotlight Search On Your Mac Laptop By Clicking the Magnifying Glass In The Upper Right Corner of Your Mac Menu Bar

## Step 2 — Open Terminal

- Search for "Terminal" in Spotlight and click return to open it.

## Step 3 — Entering The Command

- Paste The Following Terminal Command Into Your Window  
"defaults write  
com.apple.PowerChime  
ChimeOnAllHardware -bool true;  
open  
/System/Library/CoreServices/Power  
Chime.app &" (minus the quotes!)  
Hit Enter!!

To reassemble your device, follow these instructions in reverse order.
