

# Graco Paint Sprayers 17P189 2017 Pump Hose 288623 Replacement

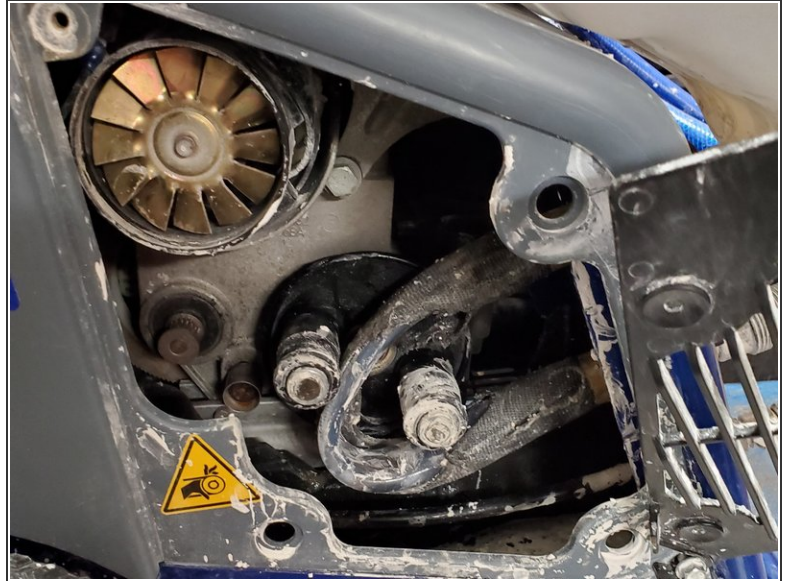

Replace the cracked or leaky hose

Written By: Trevor A

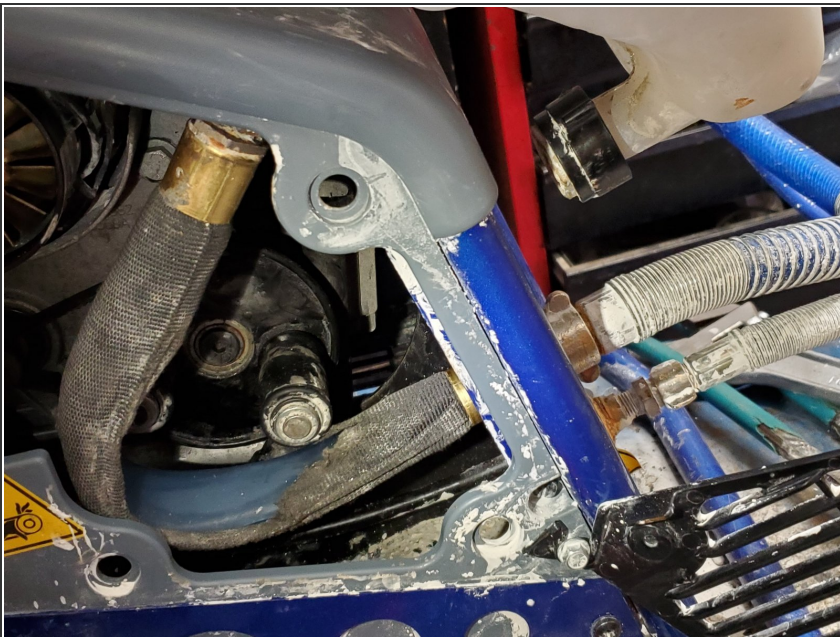

## Step 1 — Pump Hose 288623

- Remove 2 bolts holding the cover on

## Step 2

- Remove hose 288623

### Step 3

- Connect bottom hose to pump hose without locking it in all the way. Pulling hard you will pull the top portion of the hose through and feed it all the way over to the right locked in place

### Step 4

- With the top hose attached make sure to feed around both ends of the pulley and pull bottom hose through and push all the way to the right

To reassemble your device, follow these instructions in reverse order.
