

Nokia 6230b SIM Card Replacement

This guide will cover how to replace the SIM card from the phone.

Written By: Christopher McKee

INTRODUCTION

The SIM card is underneath the back cover and is easily removed and replaced by taking off the back cover.

Step 1 — Back Cover

- Press down the button on the back panel.

Step 2

- Push the back cover upwards.

Step 3

- Remove the back cover from the phone.

Step 4 — SIM Card

- Press your thumb nail against the metal latch.

Step 5

- Pull the metal latch open.

Step 6

- The SIM card, now released, can easily be lifted out of the phone.

To reassemble your device, follow these instructions in reverse order.
