

# LG VX6100 Antenna Replacement

This guide will show how to removing and replace the antenna.

Written By: Eric Funsten

## INTRODUCTION

This guide goes step-by-step through the process of removing the antenna. Each step in the guide is accompanied with clear pictures and instruction.

## Step 1 — Antenna

- Hold the phone upright and firmly twist the antenna counter-clockwise until it becomes loose. Once loose, pull upwards to remove the antenna from the phone.

To reassemble your device, follow these instructions in reverse order.
